

KARAN PURKAIT

Aspiring Software Developer | Frontend Developer

West Bengal, India | karanpurkait1763@gmail.com | LinkedIn | +91 8972209802

ABOUT ME

Highly motivated Computer Science undergraduate skilled in MERN stack development, specializing in React.js for building responsive, high-performance web applications. Proven ability in UI/UX design, clean code, and performance optimization. Experienced open-source contributor with a track record of collaborative development and delivering impactful real-world projects. Seeking to leverage strong problem-solving skills and technical expertise in a challenging software development role.

SKILLS

- Programming Languages: Java, JavaScript, HTML5, CSS3
- Frontend: React.js, Bootstrap, Tailwind CSS, Shadcn/UI, Material UI
- Backend: Node.js, Express.js, RESTful APIs
- Databases: MongoDB, MySQL, Firebase
- Tools & Methodologies: Git, GitHub, Netlify, Vercel, VS Code, WebRTC, Unit Testing, Debugging

PROJECTS

Codebird – Official Website

- Tech Stack: React.js, Tailwind CSS, Vite, JavaScript
- Developed official website with sleek UI/UX & responsive design; enhanced loading speed & navigation.

MeetUp – Real-Time Video Conferencing App

- Tech Stack: React.js, Node.js, Express.js, MongoDB, Socket.io, WebRTC
- Architected Zoom-like video platform (100% peer-to-peer call success); optimized chat flow & adaptive media handling.

HappyCare – Telemedicine Platform (Ongoing)

- Tech Stack: React.js, Node.js, Express.js, MongoDB, Firebase, WebRTC
- Engineered live teleconsultation platform (99.9% session stability) with scalable backend.

EXPERIENCE

Web Developer Intern – CodSoft | Oct 2023 – Nov 2023

- Developed & deployed 3+ mini-projects (portfolio, product landing page), gaining hands-on frontend workflows & Git experience.

Frontend Developer – CodeBird Community | Sep 2024 – Nov 2024

- Engineered & deployed official CodeBird website using MERN stack; ensured 100% cross-device compatibility with responsive design.

Open Source Contributor – GSSoC 2024 | May 2024 – Aug 2024

- Collaborated in Agile teams on React.js projects (10+ PRs); resolved 15+ frontend bugs, improving user retention by 12%.

ACADEMICS

Bachelor of Engineering in Computer Science

University Institute of Technology, The University of Burdwan | 2022 – 2026 | CGPA: 7.39

Higher Secondary (12th Grade)

Gopinathpur High School, WBCHSE | 2020 – 2022 | Percentage: 86.4%

ADDITIONAL INFORMATION

Languages: Bengali, Hindi, English.

Certifications & Achievements

- Solved 50+ LeetCode problems, demonstrating strong problem-solving & DSA skills
- Mentored 10+ junior developers as CodeBird co-lead, fostering skill development.
- Completed JAVA certification from Apna Collage.
